It must be understood that training the German Shepherd or any breed dog includes participation in "hands on" training, with attendance at orientation/education/discussions as well as practice at home.. These are integral aspects of obedience training, and is considered part of the trainees' application.

The fee for each obedience session is noted at the top front of the application. Payment must be made in full at the time of registration. Once the first class has been conducted, fees are non-refundable. Extenuating circumstances may be appealed to the Board of Governors for a pro-rated refund or future class credit decision. The Board of Governors meets monthly.

There are no make-up classes unless class is canceled. There are no credits given for missed classes.

AGGRESSIVE DOG POLICY:

Any dog that shows open aggression to another dog or person will be evaluated by the trainer prior to being accepted into a training class held by NNJGSDC. The trainer's evaluation will be the deciding factor whether or not your dog will be accepted into a class and referred to a trainer who specializes in aggressive dogs.

Aggressive Behavior is described as follows:

- 1- Attacking another dog or person with intent to harm.
- 2- Biting or attempting to bite another dog or person at any NNJGSDC class or function.
- 3- Snarling, growling, posturing, stalking or lunging with attempt to bite another dog or person.

Aggressive and/or uncontrolled reactive behavior cannot be tolerated in a class setting at any level. It is not fair to other students and it is a liability to NNJGSDC to have dogs with this type of behavior at any NNJGSDC function. Any and all aggressive behavior must be reported to the Obedience Coordinator or whomever is in charge at a NNJGSDC function and discussed with the trainer. Any dog exhibiting reactive behavior may, at the discretion of the trainer, be required to wear a muzzle in class *or* may be excused from class/future classes without refund of registration fee.

I agree that my dog , may be removed from class in the event that the trainer and/or obedience coordinator determines, the dog / handler/owner creates a safety issue for any other dog / handler / owner or members of the public attending a training or public session.

I certify that the application information is correct, and accept full responsibility/liability for my dog. I further agree to hold harmless, the NNJGSD Club, its' officers, Board of Governors, trainer(s) and members for any incidents, damage, or injury to me and/or my dog as well as family or friends in attendance at a training session or public event.
